**Landowner Address**

Dear **Landowner,**

I am writing to notify you of the upcoming summer monitoring season. An ALT Property Monitor will try to contact you by phone during the months of June-August to schedule a summer monitoring visit.

Every year, we inspect thousands of acres of conserved land in fulfillment of our conservation easement monitoring obligations. These inspections allow us to maintain familiarity with each property and meet with property owners. A monitoring visit can also provide an opportunity for you to ask questions about your conservation easement, discuss land management issues, review construction plans, etc. We encourage you to take advantage of this opportunity.

Thank you for your time and your support of the Aquidneck Land Trust's land conservation efforts. We look forward to talking with you and visiting your beautiful property!

Sincerely,

Sophia DeMaio  
Stewardship Director
